### Terms & Conditions:

Your deposit confirms Rewind to play at your wedding and is non-refundable; however, if you cancel the wedding and Rewind can fill the date with another booking, we will happily return your deposit. Alternatively, the deposit will be valid for an alternative date should that date be available for Rewind.

Rewind arrives at the venue at 8pm and performs a 3-hour set from 9pm-12am unless otherwise previously agreed, and take a 20-minute break corresponding with the serving of evening refreshments. Setup time is approx. 40 minutes; however, in the event that the day runs behind schedule and the band can't start until after 9pm, additional playing time (at no extra cost) is at the discretion of the band. The DJ plays until 2am at the latest, unless otherwise previously agreed. On the very rare occasion that a band member is unavailable due to illness etc, a replacement musician/singer of equal standard will stand in.

The remainder of the fee is due on the night in cash or no less than two weeks beforehand by cheque or bank draft.
